What I knew about wrestling before this issue could've made me eligible to run for Vice President under the Republican ticket. And now? Let's just say that if I ever run into John Cena or CM Punk in my local ginmill, I'll be hip to the *kayfabe*. I've become a fan of the fiercest Divas—gutsy, confident babes like Trish Stratus, Hollywood, Sable, Christy Hemme & Torrie Wilson, who have "Amazon essence" in their bronzed, built bods and give their all to their legions of diehard fans. And let me not neglect the one fact I will *never, ever* forget: Stacy Keibler has 42" legs. As a chick who stands only 5'2", I know I don't stand a *chance* against her in a Lingerie Pillowfight.—LILSHAMETONGUE

FRESH FLESH

A Tom Cruise-approved "Dutch treat," a bullfighter's daughter, a supermodel & Marilyn Manson's muse walk into a bar.... That's not only the makings of a *great* dirty joke, but a sampling of this month's *Fleshies*!

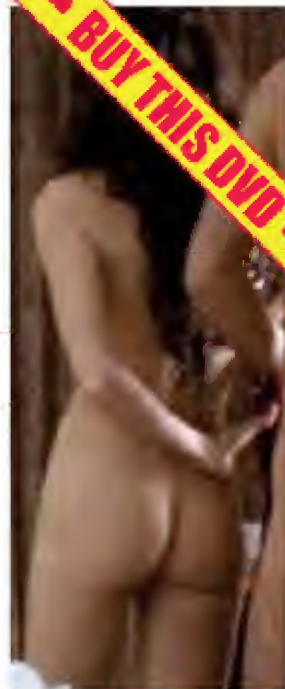

PAZ VEGA

HER NEXT BIG THING: Paz stars opposite the notorious Colin Farrell in *Triage*, with everyone's fave Dracula, Christopher Lee... playing her *dad*!

PAZ DON'T TAKE NO BULL: After at *least* 25 other cinematic versions of Bizet's beloved opera, Paz embodies the savage, ruthless, carnal sexuality of the titular temptress in *Carmen* ('03, spread), filmed a year before pretty Paz played the feisty housekeeper in *Spanglish* ('04), opposite oft-asinine Adam Sandler. Paz, the daughter of a former bullfighter, is perfect as Carmen, who taunts a turned-on *toreador*. Prepare to snort and get very *hom-y*.

— BUY THIS DVD —

PAZ SEZ: "My father was a bullfighter. I saw him many, many times in this ring. When you are in the center of the ring you feel something magic—it's tense, you feel the danger because many bullfighters die in the ring....I still go; it's my culture."

KATE GROOMBRIDGE

FROM HER LIPPY LIPS: "I never dreamt I'd make it as a model. At school I was called 'lanky kegs', so all those girls that teased me can now stick it up their arse."

SUPERBOOBER!: We might never have had the pleasure of coveting Kate, had it not been for lingerie company Gossard, who signed Kate as the face (or, to be more precise—the *jugs*) of their "Ultrabra Superboost." Though Brit ads for the over-the-shoulder-boulder-holder were deemed too *titty*-llating for TV, the *sexposure* did just what it ought: Kate landed a bit part in a Steven Seagal movie, *Submerged* (2005)...and *still* has a career ahead of her!

BUY THE DVD'S

GROOMSHERRIDGE: *Virgin Territory* (2007, all) picaresquely piles on pieces of ass & pudenda, with Kate as a fleshy Florentine frolicker undaunted by the Black Plague. Now, a Seagal "gem" from *Submerged*: "You gotta live to talk about old times."

EVAN RACHEL WOOD

MANSON'S MUSE: "....I don't mind being amongst the mad people; I enjoy it."

ALL ABOUT EVIE: "Evie" is 21 & a temptress—especially since she hooked up with goth glamour-ghoul Marilyn Manson, undergoing a Transylvania-style transformation that makes her look like Manson's ex, Dita Von Teese, *cloned*. This crystal-eyed bewitcher's wasted no time *giving Wood*, stripping to a bikini in the heated drama *The Life Before Her Eyes* (2007, bottom left & top right & above). Better still, she skinny-dip illocks in The Beatles' musical *Across the Universe* (2007, right). "Yeah! Yeah! Yeah! Yeahhhhh!"

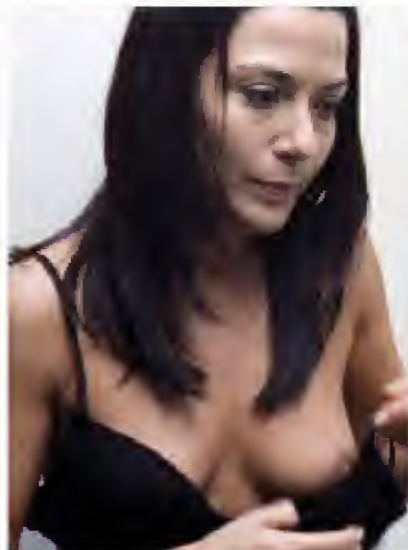

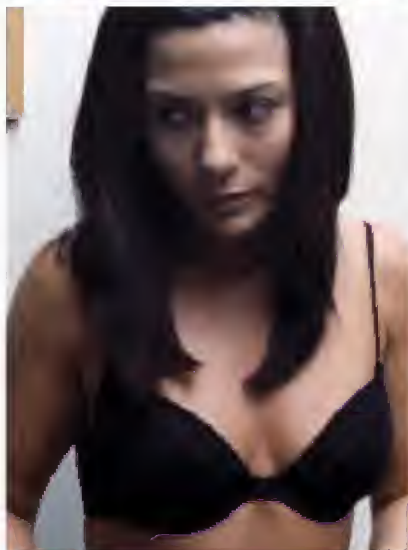

MARISOL NICHOLS

FROM HER LIPS: "It's just that anytime I hang on to any bit of hope, it gets taken away from me." (As Laura in *Felon*)

GET READY TO WRING YOUR NIGHTSTICK: If you're fanatical about 24, you should recognize Marisol, who plays Nadia Yassir. Keeping the "happy" at bay...but letting her *sucklesacks* hang loose, she's alternately radiant and ravaged in *Felon* ('08, all), a film based on actual shizz that went down at Corcoran Prison. It stars not only the Val Kilmer, but also Hollywood's perennial *dawg*, Stephen Dorff. As fiancée Laura to Dorff's incarcerated Wade, Marisol's the only thing light in a hard movie about doing hard time.

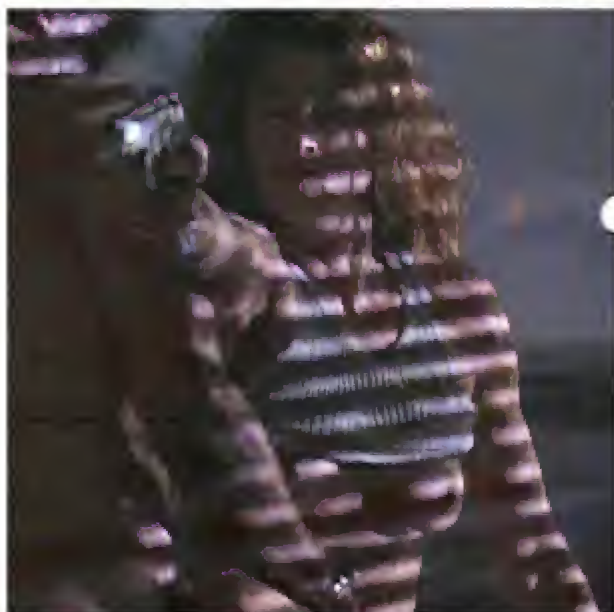

CINDY CRAWFORD

CINDY SEZ: "The thing I like about my body is that it's strong. I can move furniture around my apartment. I can ride my horse...I can play basketball. It's a well-functioning machine."

CRAWFORD ABOARD!: Of the 5 original supermodels, Cindy (a.k.a., "The One with the Mole") has weathered her waxing/waning fame—not to mention the inevitable aging process—with the most grace. Still lookin' every inch as Amazon-hot as when she posed nude for famed photog Herb Ritts, Cindy took time out from being a mom of 2 this summer to sunbathe her *firm funbags* on the Riviera, probably thinking: "Be kind; no tan lines!" Thanks, Cindy!

— BUY THIS DVD —

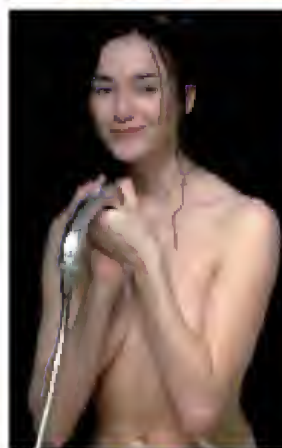

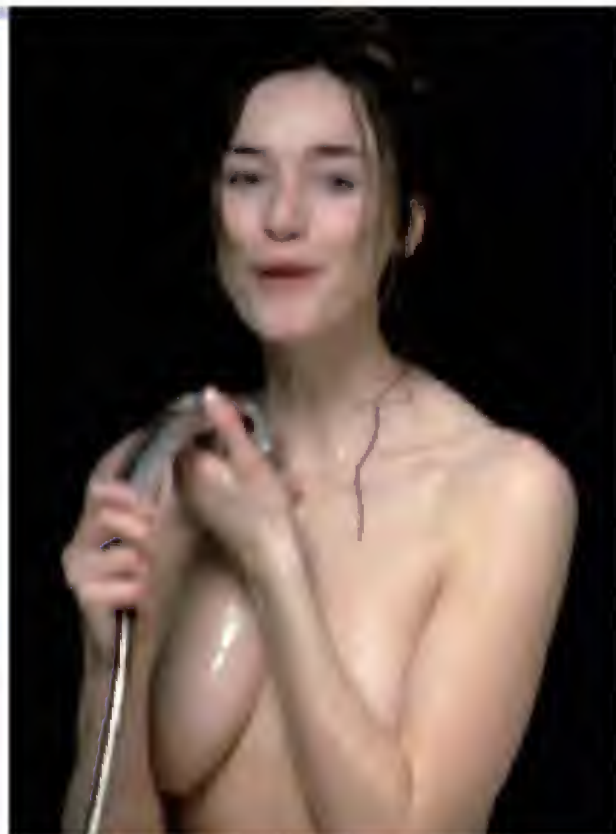

SHOULDN'T QUIT HER RAY JOB: *Fair Game* ('95, opposite) bombed so horribly, Sno-Caps at the concessions stands got better reviews; even Cindy's shower scenes didn't clean up the crap! Bet her *buoyant boobs* could save a drowning *glans*....

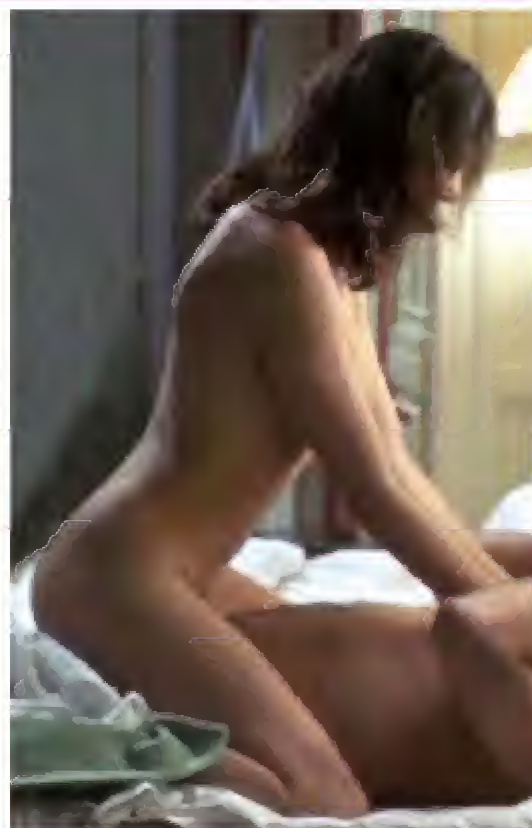

DELPHINE ROLLIN

DANGEROUSLY DELICIOUS: This princess-faced porcelain piece revels in the kind of *flesh-for-all free-for-all* that makes French cinema so wood-worthy; regardless of whether or not you tolerate “foreign films” with subtitles or—worse—dubbing, you’re practically *guaranteed*, film for film, that actresses will bare boobs, butt and *full-frontal, bushy bush*, even if the plot *barely* calls for it. In the case of *A Model Employee* (2002), the plot does. Prosperous yet troubled businessman François almost hit-n-run-murders the mysterious Florence (played as a sexual sphinx by Delphine), only to *hire* her. Euro-style bathing, sex and 9-to-5 shocks ensue.

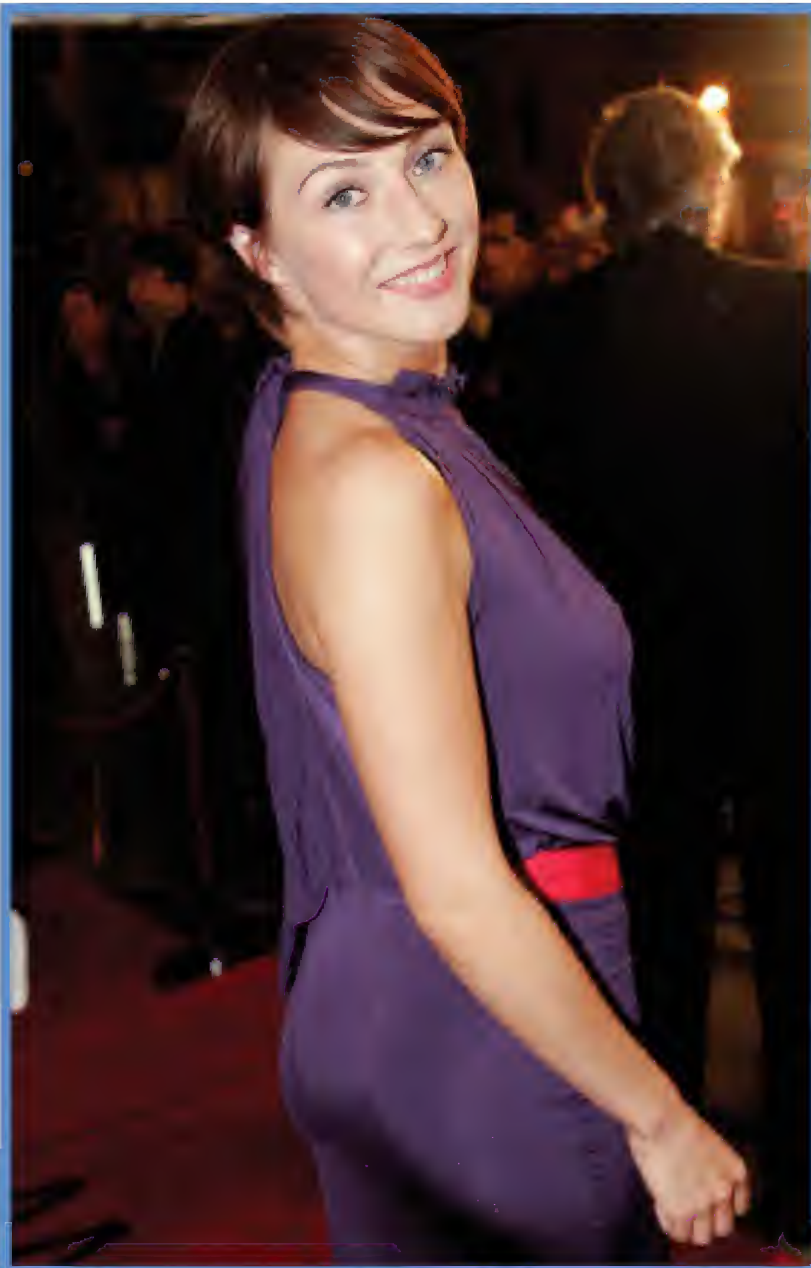

— BUY THIS DVD —

ROLLIN RIDES 'EM ROUGH!: Any dude who's had a few...dozen too many at an office party knows the *penile* perils of schtupping a coworker. If she's your underling, you're *really* asking for it—especially when she's *bouncin'* on top of you!

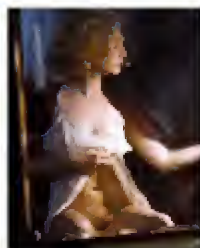

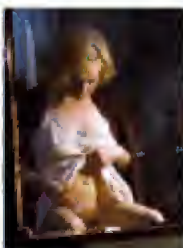

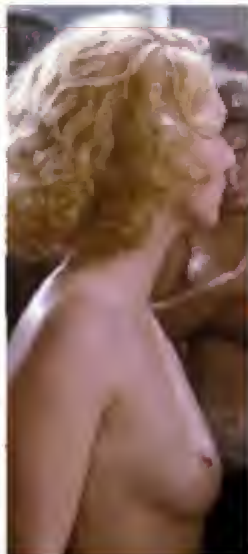

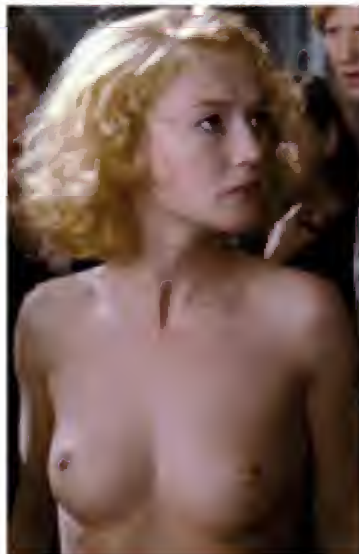

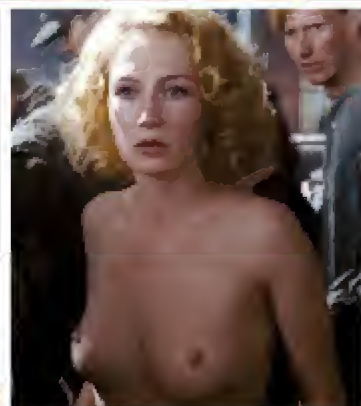

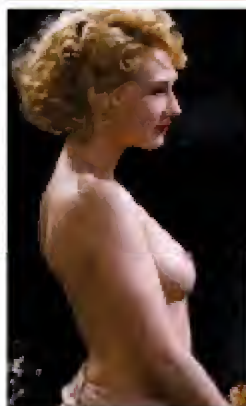

NEXT BIG THING?

CARICE VAN HOUTEN

OH, THOSE CRAZY DUTCH LIBERTINES!: "....In Holland it's weird *not* to be naked on a set, so we're all used to it."

GO DUTCH: *New York Magazine* named her 2008's "Woman of the Year," so bet yer balls that this talented spitfire (we love her moxie!) is the next *Euro-yummy* who'll seduce the awestruck A-list. Alas, thanks to Tom Cruise, only *Zenu* knows when we'll get to ogle her opposite the zealot couch-jumper in *Valkyrie*, in which she plays Nina Von Stauffenberg—the wife of Tom Cruise's character! Uh, not that she's into Nazis or anything...but here, in *Black Book* ('06, spread), she *Mata Hari's* between the SS & the Dutch Resistance.

VAN HOOTERS!: Carice did all her own singing for *Book* and speaks 4 languages fluently playing a Jewish jewel who was a cabaret singer till she went into hiding. Carice 'fesses: "I'm a sponge; I suck everything in" ...which gives us *filthy* Ideas....

WRESTLING'S HOTTEST HELLCATS!

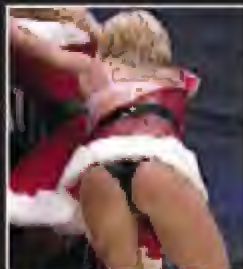

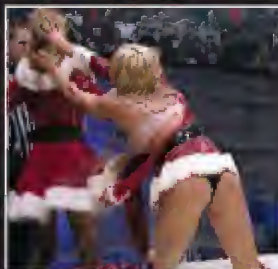

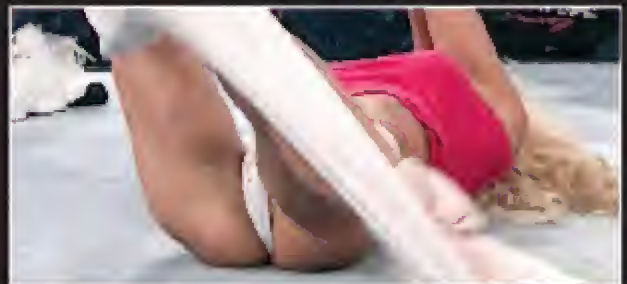

Lingerie Pillowfights. "Hot Lesbian Action" Matches. Over the Top, Off With the Top Bouts. Evening Gown Matches. Bra & Panties Matches. Extreme Strip Poker. Deb-generates do *every* angle...for your *dangle*....

TORRIE WILSON

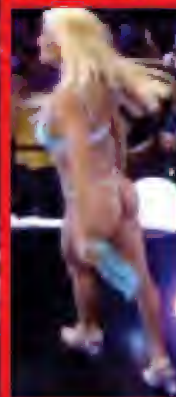

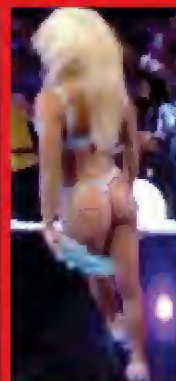

TORRIE...LAND?: Hip-hopper Timbaland cast the Boise, Idaho-born eye-fu! in his music video for "Throw It on Me."

IRON ANGEL: Torrie's the daughter of long-time grappler Al Wilson, and when Daddy's Girl grew up, she busted out with *tasty-lookin' twangers!* The former fitness model joined the WCW for a spell until WWE came calling in '01, where she proved to be an immediate sex-sation, feuding with powerhouse Dawn Marie & establishing herself as one of the most high-profile, hot-impact Divas. Torrie's scintillating nude photo sessions make us wanna be down for the count...to 69? Or, at least—up for the mount.

BUY THESE DVDS

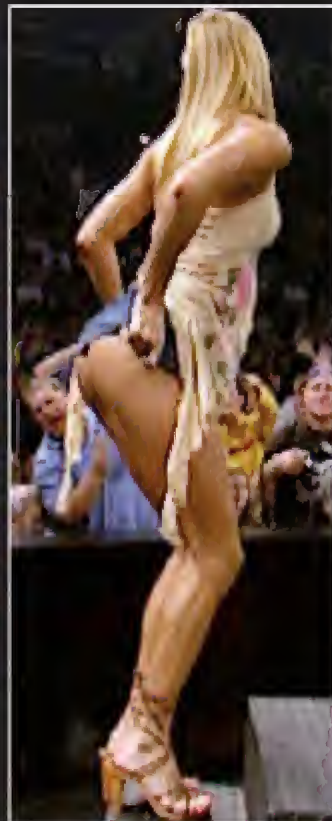

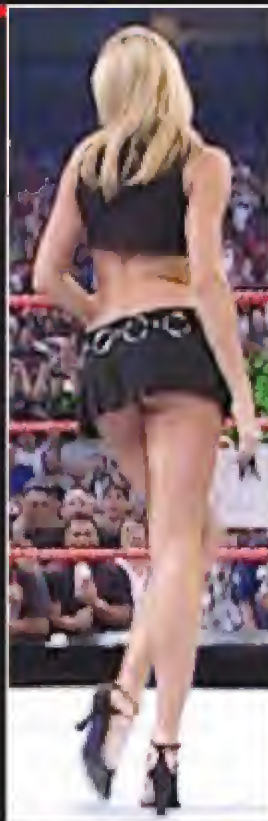

SEXY SIGHTINGS: WWE Divas: *South of the Border* (2004, opposite page, all & this page, top left), *WWF Divas: Tropical Pleasure* (2002, above top right, middle & bottom left) & *WWE Divas Do New York* (2006, above right).

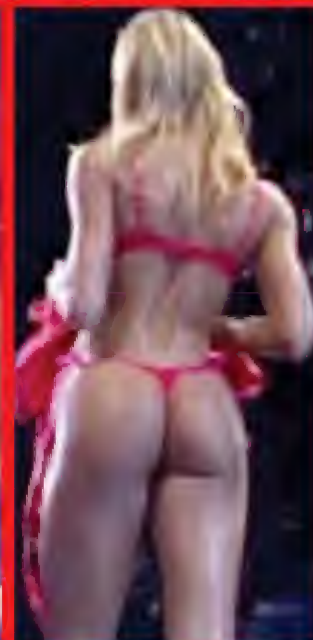

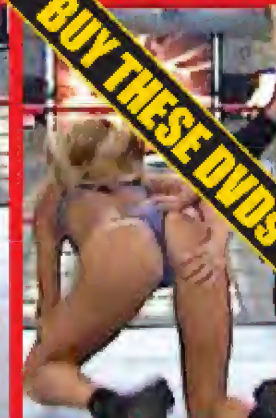

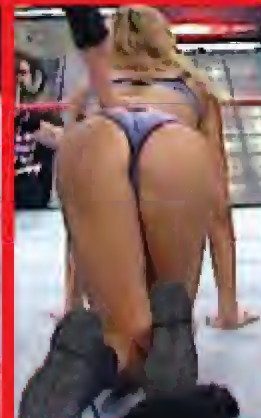

STACY KEIBLER

A TALL DRINK OF SEX: 5'11" Stacy stormed the squared circle in '99 via WCW as the standout strutter of the Nitro Girls dance troupe (simultaneously cheerleading for the NFL's Baltimore Ravens). Aided by her coveted 42-inch legs, she stepped into the voluptuous role of villainous valet Miss Hancock and, even as WCW merged with WWE, made the jump—ever the statuesque siren. Vince McMahon had her for a swell spell as his *very legs akimbo* "personal assistant," but in 2006, upon earning a perfect score for a samba routine on *Dancing With the Stars*, the show's judges awarded Stacy the nickname: "The Weapon of Mass Seduction."

BUY THESE DVDS

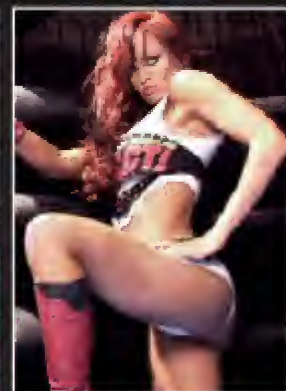

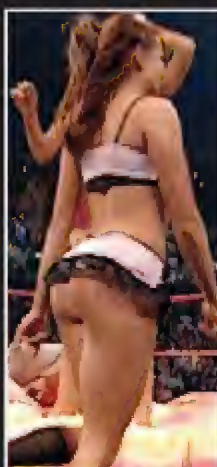

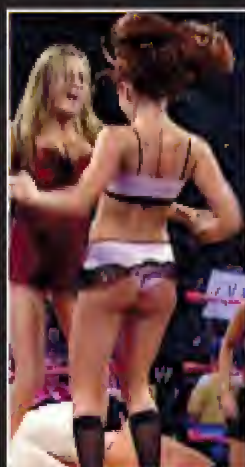

TALK ABOUT MUDFLAPS: Stacy's got 'em in: *WWE Divas: South of the Border* ('04, left, bottom), *WWE Viva Las Divas* ('05, left, top), *WWE Divas: Desert Heat* ('03, top), *WWE Divas: Undressed* ('02, middle) & *WWF Divas: Tropical Pleasure* (2002).

CHRISTY HEMME

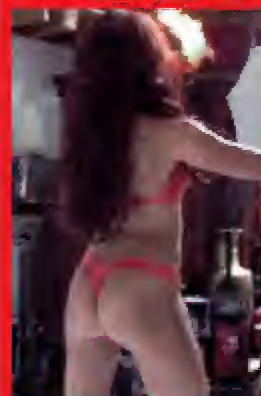

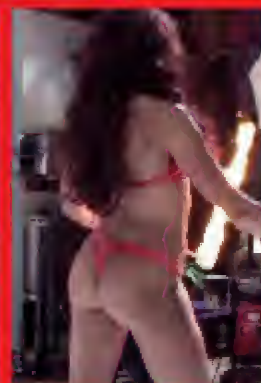

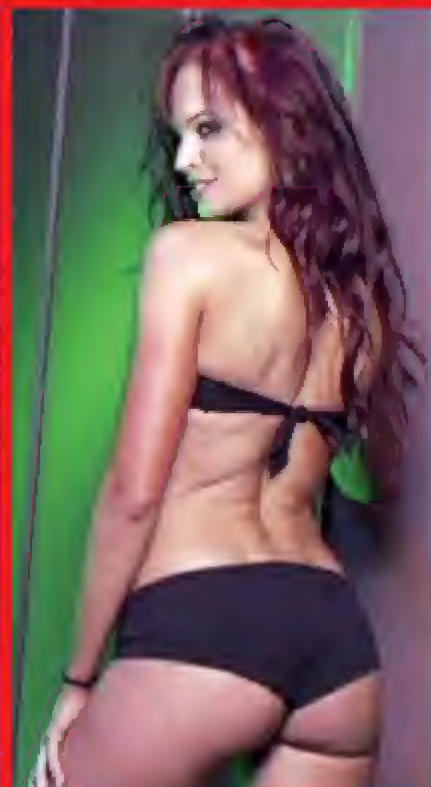

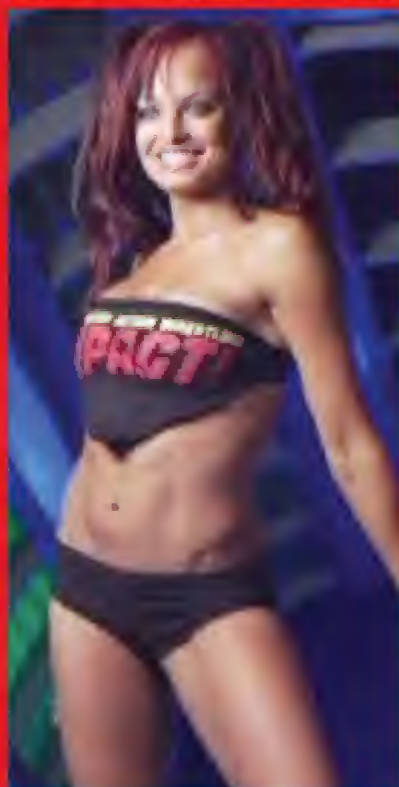

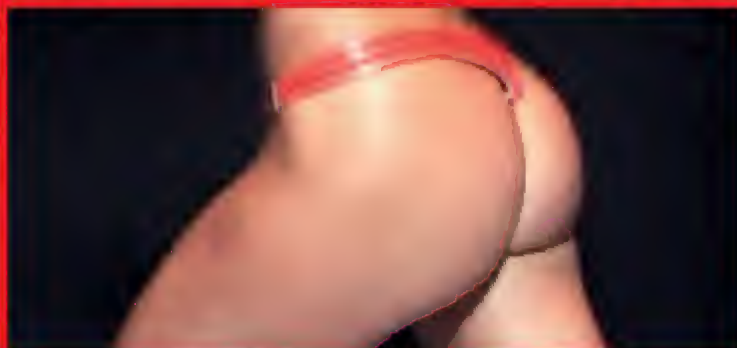

FROM HER FEISTY LIPS: "When I was younger I had low self-confidence; I was a dork and kind of shy. But after high school, I really grew into my own skin and became a strong, confident woman."

FIRECRACKER!: Christy exudes cinnamon *sin*-energy with her flaming-red hair & badass nickname: Harley Girl. The 5'5" Call girl, former lingerie model & dancer with The Purrfect Angelzz, scored mag covers, spots in videos for Trace Adkins & Blink-182 & spokesmodeled for Hawaiian Tropic before hurling her curves into WWE's 2004 Diva Search. This lil' *nutmegger* nabbed the top prize.

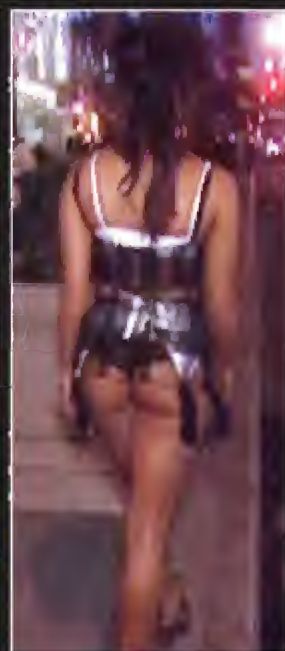

BUY THESE DVDS

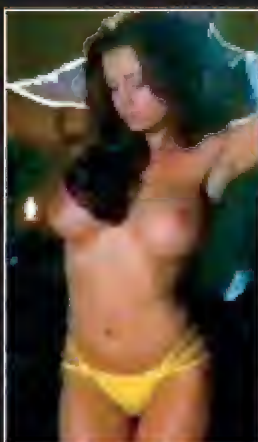

SHE ARM WRESTLES, TOO!: Here in *Knockouts: The Ladies of TNA Wrestling & Viva Las Divas* (opposite), Hemme turned tail & fox-forced up with Total Nonstop Wrestling, dropped a tune, "Society Box" & was "Lust" in *Fallen Angels* (2006).

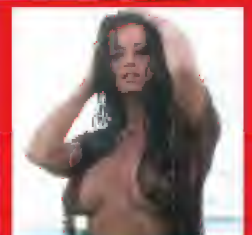

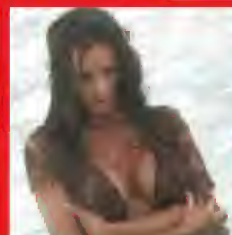

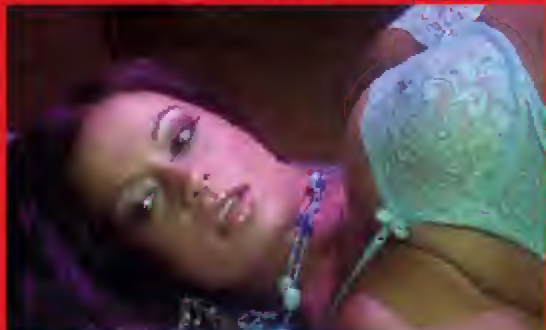

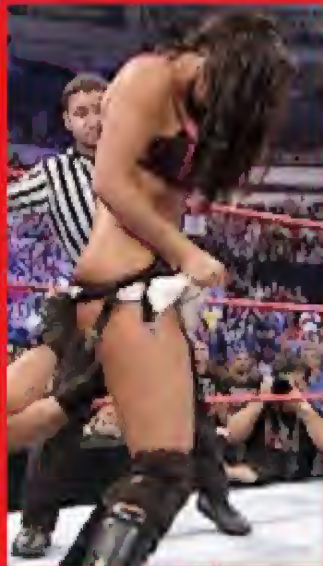

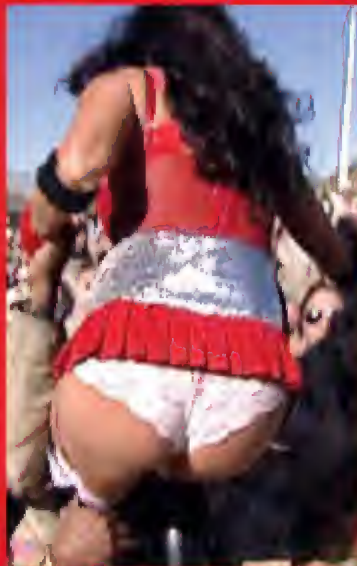

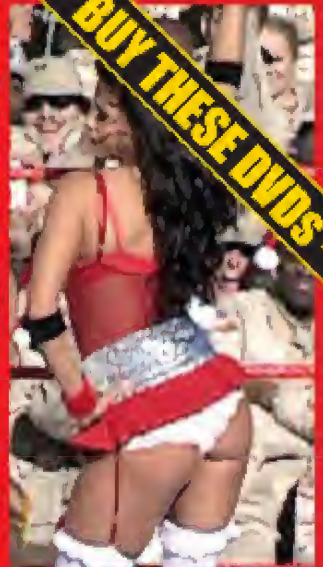

CANDICE MICHELLE

TOOTSIE TEASE: "I work for a site made for guys who have foot fetishes. They do different things with my feet. Shoots would be with shoes, socks, or even stockings. My fave is 'Dirty Feet.' I walk barefoot outside, then come in to get my feet shot. I love it!"

LOLLIPOPPEE!: Fond of forcin' foes to tap out 'neath her "Candylicious" move, she *fleshed out nicely* in the first Bra&Panties Match—and was even *forced* to be McMahon's sufferin' *sub*! Off-mat, she's the sexpot who had a "wardrobe malfunction" in an ad for GoDaddy.com that aired during the '05 Super Bowl. Better: Her tits tumbled out of a towel *fo realz* on a *WWE Monday Night Raw*!

BUY THESE DVDS

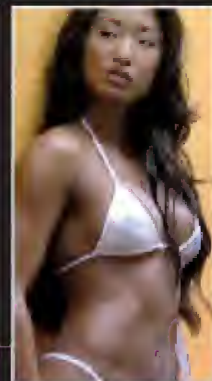

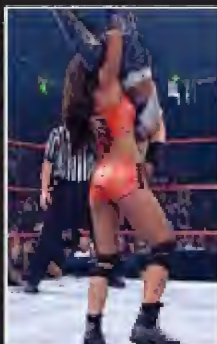

HOTEL MICHELLE: In *WWE Divas Do New York* ('06) & *WWE Viva Las Divas* ('05) Candice is a big-boobed-'n'-bootied bruiser! Get stickler Candy in the softcore cable series *Hotel Erotica* (opposite, bottom left & top right) & actioner *Province 77* (2002).

GAIL KIM

FROM HER KIMCHEE GOBBLER: "I love being able to do what I please...whatever I want, when I want."

LA FELINA!: The only babe to ever hold champ titles for both WWE & TNA, Gail came straight outta college primed for pro pummeling, doling it out from the school o' hard knocks & besting *breasty* Trish Stratus with her trademark Octopus Stretch. Debuting in a mask & billing herself as The Queen of Cats, she's *still* one hot pussy! Her WWE character was a *Matrix*-inspired minx, though she's now with TNA. **WWE Divas: South of the Border** (2004, all) makes us wanna get *bucked* by this carnal-'n'-curvy Canuck.

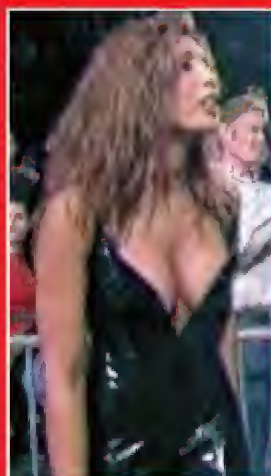

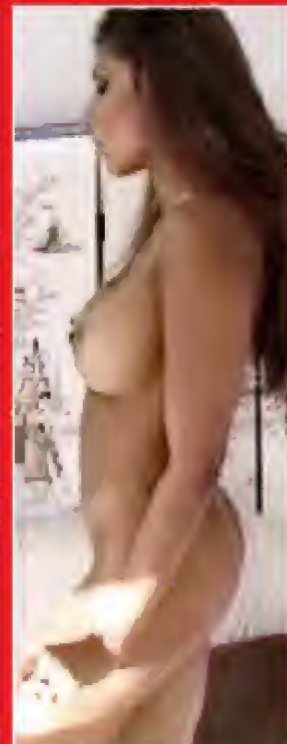

JASMIN ST. CLAIR

GANG BANG GRAPPLER!: Call her the wrestler-most-likely-to-be-stripped-to-her-underwear—and you'd only be licking the tip of the icy/hot 'berg that is Jasmin's *rear-heavy* career. A former porn star (and Columbia grad!), she made her *huge* raunch rep as the primed receptacle in *World's Biggest Gang Bang 2* (1996), performing a record-breaking 300 sex acts with 300 guys in a 24-hour period. Sore & savvy, she flipped her aggressor switch, teaming with ECW, XPW and managing The Public Enemy. She stripped for TNA & continues to claim cash via controversy. Here, her tough tittles in *Wrestling VIXXens Wrestlerotica Vol. 1* (2003).

MARIA KANELIS

PILLOW FIGHTER/(BITER?): Like many super-hot newcomers to wrestling's diva pantheon, Greek-American grappling goddess Maria competed in the '04 WWE Raw Diva Search—but lost to red-hot Christy Hemme. Still, “Can-Do” Kanellis nabbed a gig as a backstage interviewer, which led to her steppin’ into the ring & takin’ on rival Christy in an ‘05 Lingerie Pillow Fight. Since, this minx is workin’ the muse; in ‘07, she even had an on-screen “thing” with Santino Marella—an angle that led to numerous victories—and a high-profile nude-modeling gig! When Maria bares her Grecian glories, you can be sure there’s no *kayfabe* on *this* babe!

BUY THESE DVDS

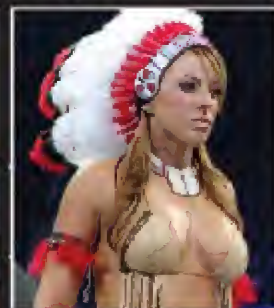

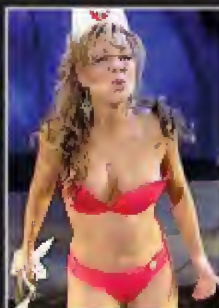

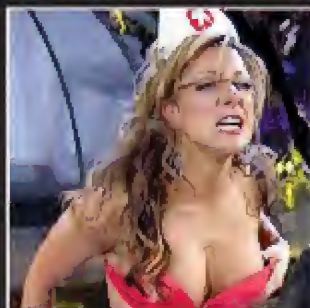

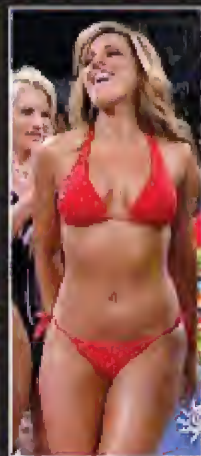

TIT-ZIKI SAUCY!: In *WWE Divas Do New York* (2006) & *WWE Viva Las Divas* (2005) Maria's as intoxicating as 5 slam-shots of Ouzo. Maybe *that's* why jealous Melina slapped her & called her a "bitch" when Maria tried to interview KFed for *Raw*!

DAWN MARIE PSALTIS

NO DAWN FOR THIS DAWN: The fright flick *The Vampire Carmilla* (1999) features Dawn Marie *topless*. You'll want to suck her *jugs*!

JERSEY GIRL!: She hails from Rahway, NJ—home of one of the U.S.'s toughest prisons...and perhaps the bare-knuckle breeding ground for her badass ballsiness! In '98, Dawn went from selling real estate...to Rahway-style rough-housin' with ECW. Four years later she started *dandling her dugs* for WWE. Her *wildest* storyline? She married Al Wilson (the couple wore only undergarments), the father of her most despised rival, tawny-'n'-torrid Torrie Wilson.

BUY THESE DVDS

A PSALTIS WITH A DEADLY-HOT BOD!: *WWE Viva Las Divas* (2005, opposite, all & here, top) & *WWE Divas: South of the Border* (2004, above) suggest Dawn could find additional work as a sadistic nurse, Indian princess, or sand...box...

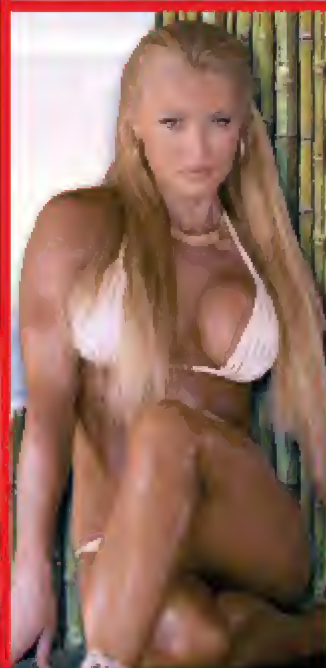

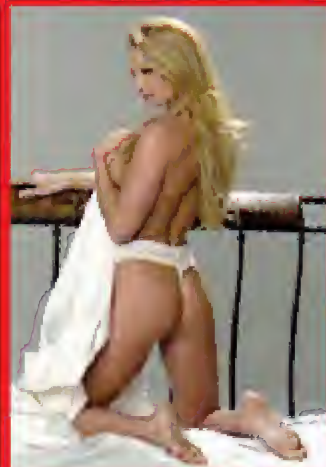

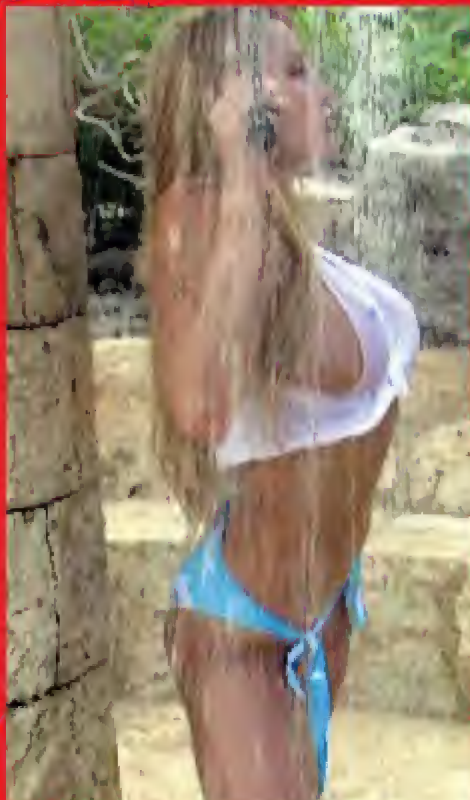

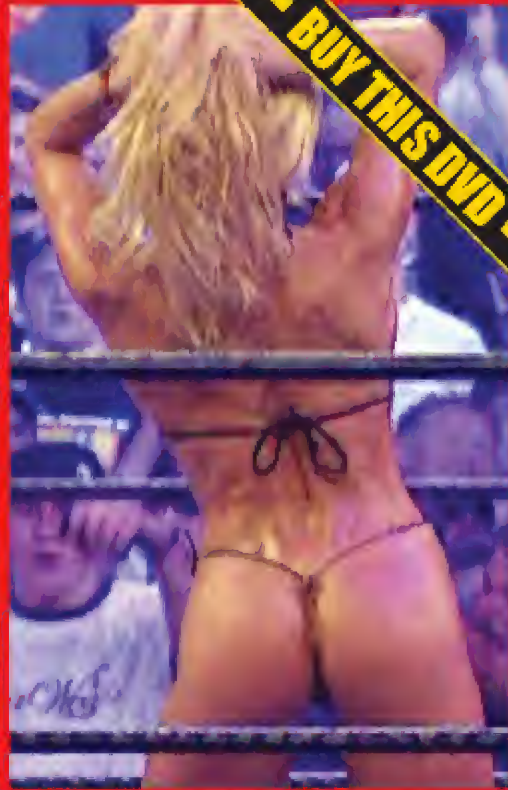

RENA MERO, A.K.A. "SABLE"

SABLE SEZ: "It's great to be looked upon as a sex symbol. That's a wonderful feeling to know that millions of men are admiring me, and that's great."

BUSTING FOR HANDPRINTS: Rena's *breast* known as Sable, deemed "The Pamela Anderson of Professional Wrestling." The Jacksonville, Florida native modeled for top-tier companies like Pepsi & L'Oreal before debuting in '96 alongside Hunter Hearst Helmsley at Wrestlemania XII, setting up an angle with brawler (and real-life husband) Marc Mero. Her popularity was explosive & Sable won the WWE's second-ever Women's Championship belt.

— BUY THIS DVD —

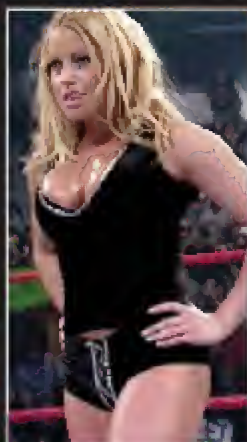

"MISS SLAMMY": Paradise found: Sable's boobs-'n'-buns-packed body borders in *WWE Divas: South of the Border* (2004, spread). In between "killing 45 seconds," feast on a tuna sammy while watching this, or her thriller *The Final Victim* (2003).

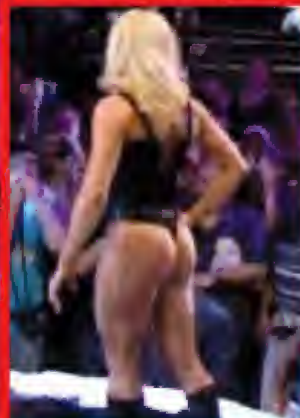

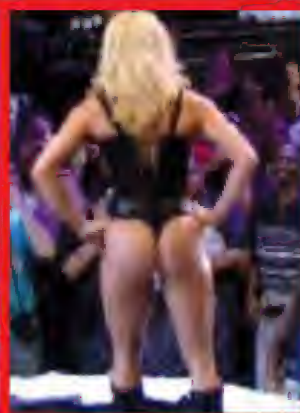

TRISH STRATUS

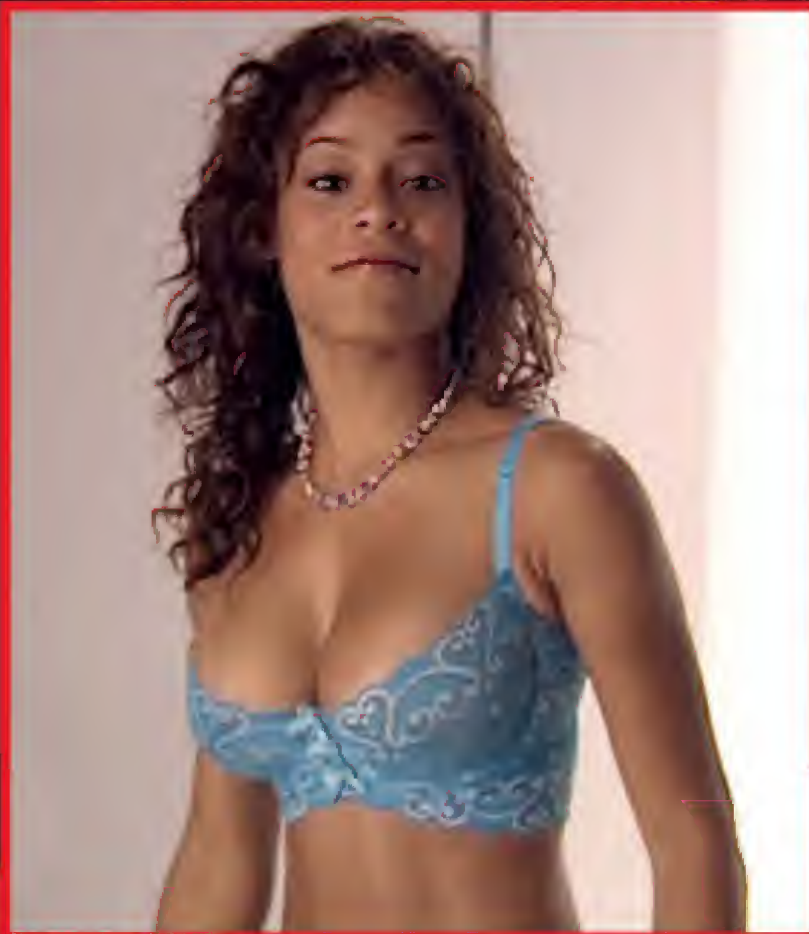

TEENY & TOP-HEAVY: Just 5'4" in her pretty, lil' bare feet, Trish is one of the most diminutive Divas in terms of height, but when it comes to lust-igniting star power, this native Canuck is a juggy giantess! This former fitness model joined the WWE in 2000, pushin' it *real good* to move from manager to competitor to champ. One outrageous angle had her shackin' up with Vince McMahon while his wife was supposedly institutionalized. Their affair climaxed with McMahon ordering Trish to strip down to lingerie in the ring & bark like a dog! *WWF Divas: Tropical Pleasure* (2002, this page & opposite, top) showcases Trish at her sweaty sexbomb best!

BUY THESE DVDS

QUEEN OF QUEENS: *WWE Divas: Undressed* ('02, right) & *WWE Divas: South of the Border* ('04, left) will make you weep—from yer one-eyed guy! Why? Trish retired her wrestling thong in 2006! Does this mean we can't get no **STRATUSFACTION**?

KRISTAL MARSHALL

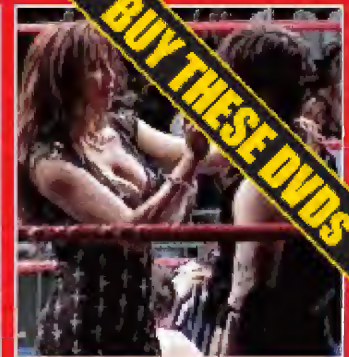

TO DIE FOR: Her wildest angle had Kris walk into the ring to get married. The groom suffered a "fatal heart attack" on the spot!

PERFECT 10!: Curvy cutie Kristal beautified *The Price Is Right & Deal or No Deal* and made ya ready for her jelly droppin' her hotness in videos for 50 Cent and Ma\$. Seen here in *WWE Divas Do New York* (2006), Kristal's also competed in a Fatal Four Way Bra and Panties Match and the first Extreme Strip Poker competition. She's cover candy on the June 2007 issue of *African-Americans on Wheels*. *Sweet ride*, but we really miss her signature *Kristal Krash*—not to mention the freakin' she brought to a Hair Pull Snapmare!

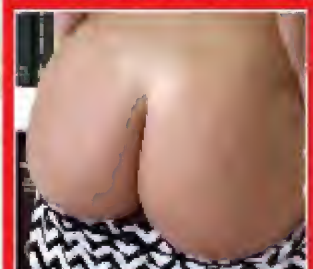

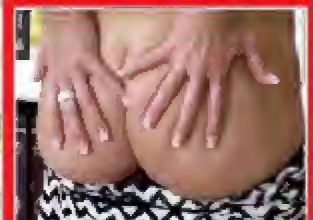

BUY THESE DVDS

MISSY HYATT

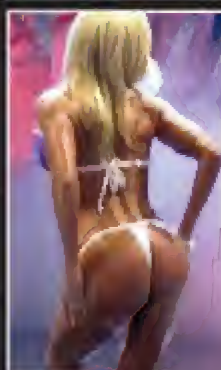

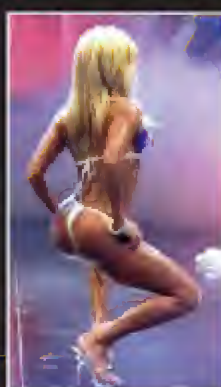

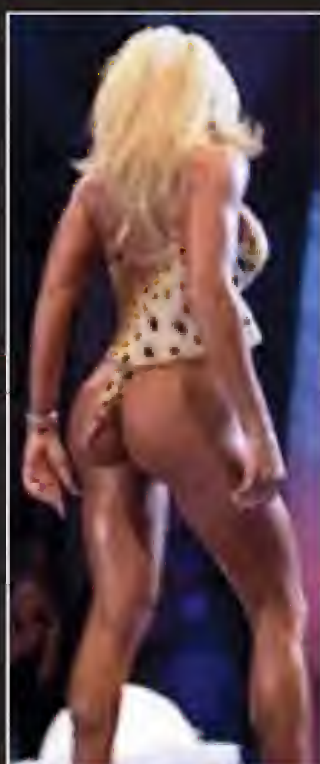

MAN HUNGRY!: Missy admits she's slept with Jake Roberts, Road Warrior Hawk, Eddie Gilbert, Tom Pritchard, Val Venis & Scott Putski & performed oral sex on Tommy Rich & Raven. Seen here in *Wrestling Vixens Wrestlerotica Vol. 1*, Missy valeted for WCCW in '85 before briefly replacing WWF Rowdy Roddy Piper's talk-show segment, "Piper's Pit" with "Missy's Manor." Too volatile to stay out of the action, Missy went to WCW—where her breast popped out of her top during a match! This prompted *heavy honeybags* Hyatt's jump to ECW, where, in one angle, she *sexually harassed* Stevie Richards! Check out MissyHyatt.net for more *nude* Missy!

TERRI RUNNELS

"HORNY LITTLE SHE-DEVIL!": Terri & Monica Lewinsky both owe their initial fame to cigars—though Terri only put them in her mouth, puffin' away as "Marlena," vicious valet to omniseual glam-grappler Goldust (Terri's former spouse, Dustin Runnels). Under her own name, she formed Pretty Mean Sisters (P.M.S.) & waged raw, erotic feuds with brawlin' babes like Chyna & The Kat, to whom she lost in an "Over the Top, Off With the Top" match. Seen here in *WWE Divas: Undressed* (2002), Terri parted with the WWE, but we're lucky—she's announced her comeback! Just not as lucky as the flower (below right) blooming from her *sugarbush*.

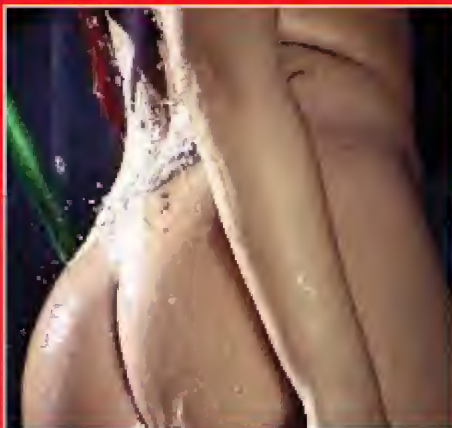

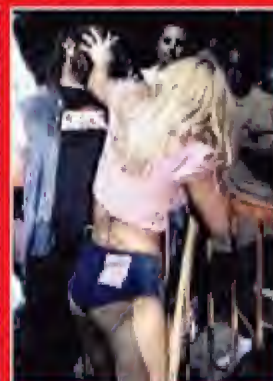

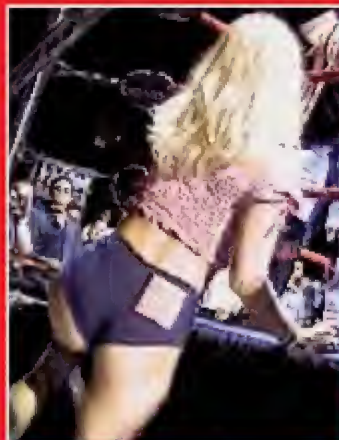

JESSICA DARLIN

JESS 'FESSES: "People freaked out when they found out that I did porn. I'm really a girl-next-door type, but sexually I'm a damn *freak*. I don't do drugs or drink, so sex is my addiction, my vice."

CUNNING-RING-STRESS: 5'2", all-natural, 36C-24-32 Jess is a *kinky* porn pro, with 2 AVN Awards, for best all-girl sex scene & best three-way, already to her name. Sucklin' aside, she got into the knucklin' biz via XPW as a valet for "White Trash" Johnny Webb, but she's just *waaay* too *wet-n'-willin'* to quit porn, where Krystl Mist is her fave *ladylick*: "She looked sweet [and] tasted sweet...." Here, juicy Jess sluices in *Wrestling Vixens Wrestlerotica Vol. 1*.

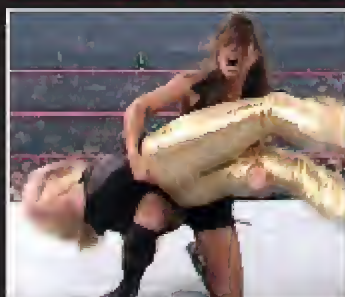

LISA MORETTI "IVORY"

SEEN HERE: *WWF Divas: Tropical Pleasure* (2002, top right & below), *WWF Divas: Undressed* (2002, middle right) & *WWF Divas: South of the Border* (2004, bottom right).

FOXY!: Muscular Moretti /S "Ivory": strong, exotic—and able to give dudes turgid *tusks*. After G.L.O.W. got K.O.'d, she debuted with WWE in '99, rising from a mere "Ho" character to Women's Champion. She threw down in sexed-up spats before turning prude & aligning with WWE's villainous Right to Censor cabal...which led to her bout *in a vat of gravy!* No matter where she brawls, when it comes to Ivory, we'd love to *e-bone-she*.

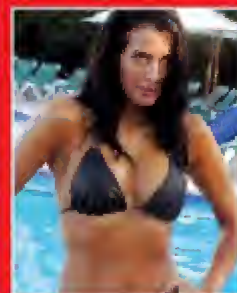

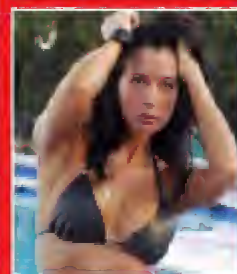

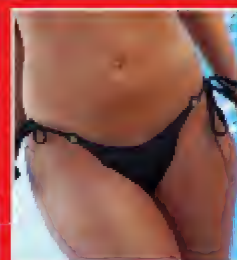

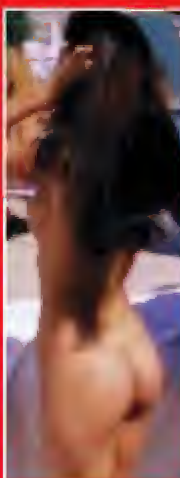

AMY WEBER

MOST WANTED!: Amy entered showbiz with an appearance on teen-tripe *Saved by the Bell*—which makes us just *pray* that Screech never came within 500 yards of her! Probably not, seeing as she's laid out foes & admirers alike as a Diva on *WWE Smackdown!* In between, this 34C-24-34 Illinois native took on all comers, acting in primetime TV shows & nude modeling, as well as appearing in scorching softcore fare *Dangerous Seductress* (1992) & *Forbidden Games* (1996, below). *WWE Viva Las Divas* (2005, right) revels in luscious Amy's *juicy cheeks*, though she's now focused on her acting, with films like *Diablița* & *Transmorphers* (2007, both).

KITANA BAKER

WE AGREE 100%, KITANA!: "I love nudity. I think a woman's body's very beautiful & she shouldn't be ashamed of it."

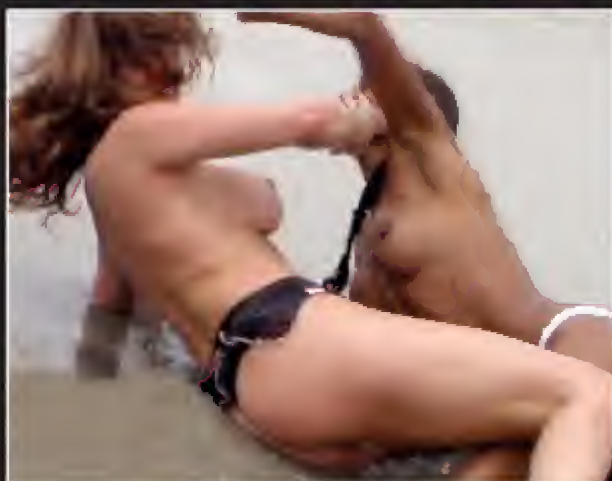

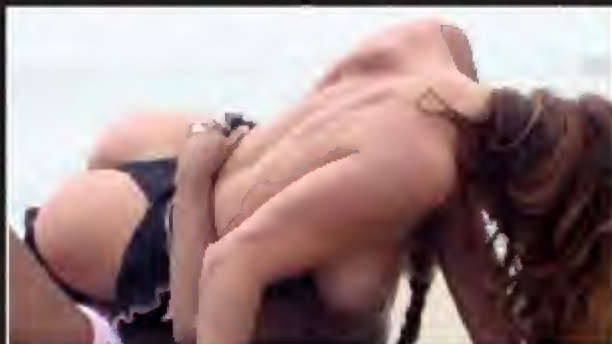

KITANA-HER-KNEES!: Exotic/erotic Kit's genealogy's as global as her globular goonas: the 5'10" sweetmeat is Chinese, German, Hawaiian & Irish. A lifelong dancer, she won the '99 Showgirl of the Year crown and worked it hotter as a top-ticket nude model, though her bombshell break came in '02, as she took on Tanya Ballinger in the infamous catfight-themed Miller Lite TV commercials. With the WWE, she fought a "Hot Lesbian Action" match on the '02 special, *Unforgiven*. This Baker boasts a nice, warm muff-in (see right).

HOLLYWOOD

DANGEROUS CURVES!: "I was a 17-year-old medical assistant when I decided to quit easing the pain and start *inflicting* some!" says Jeanne Basone, a.k.a. Hollywood, of her entrée into pile-drivin' & flesh-flauntin'. At 5'7", this bodyslammer with a slammin' bod's modeled for fitness & fashion mags, and both acted & performed stuntwork on shows ranging from *Married...With Children* to *Sex Court*. In case you wonder how she got the nickname "Hollywood"—peep Jeanne's 36-24-24 frame in *Strip Fight In Baja* (spread). Those are *some* hills! She collects KISS dolls and loves snowboarding and snorkelling—the perfect guys' girl!

HOLLYWOOD NEVER LOOKED SO GOOD: This big-titted, pouty 'n' proud *piece of plump-ish pleasure* is unconquerable: "I auditioned for G.L.O.W [Gorgeous Ladies Of Wrestling] and beat out over 500 battling' babes to become Hollywood!"

JACKIE GAYDA

STEAMY HERE: *WWE Viva Las Divas* (2005, right), *WWE Divas: South of the Border* (2004, below & top right) & *WWE Divas: Undressed* (2002, bottom right).

BUILT TO LAST!: Hard-body hottie Gayda brought the hot, pumpin' sex-hussy muscle in '02 when she won the WWE's second *Tough Enough*. "Miss Jackie" teamed with Stacy Keibler, declaring themselves the "hottest" WWE Divas—and riling rivals Sable & Torrie Wilson; hence, the foursome fought a legendary Evening Gown Match at *Wrestlemania XX*. Jackie lost that bout, but continues to triumph on the indie circuit as "Just Jackie."

SARA CALAWAY

DARKLY DELISH: It takes a special kind of woman to be married to The Undertaker, so consider *that* when you marvel at Sara's muscular magnificence. She's, in fact, the real-life spouse of wrestling's ultimate Grim Reaper, whom she met during a WWE autograph session in '99. Sara's appeared in several angles, known simply as "Taker's Bride," and flaunted teeny bikinis in *WWF Divas: Tropical Pleasure* ('02, all). Her morbid man might be gruesome, but Sara can *raise the dead* in any guy's pants, with no Viagra needed for her *midnight mix of vamp voodoo*. The Undertaker has her name tattooed on his throat & says it's the most painful ink he got.

Hardcore hellcat Loni pounces on her purring prey, taking no mercy on their muffs & strippin' 'em into submission! What happens here...stays sticky!

CATFIGHT KITTENS!

Hell hath no fury like 2 slotted-jobs in hateheat: hair is pulled, titties fly outta tops...it's *all* good. As *Seinfeld* opined: "Men think if women are grabbing and clawing at each other, there's a chance they might...*kiss*."

Height: 5'6"

Weight: All woman

Reach: To the stars

Record: The one-and-only

Bio: The measure of Halle's midnight-minx prowess is proven by the fact that after becoming the first and *only* woman of African-American descent to win the Academy Award for Best Actress (for *Monster's Ball*), she went on to make this movie (worthy of the litter box)—and she's *still* an A-list goddess. WEIRD WRESTLING

"There's no drama like wrestling," said the late, truly one-of-a-kind performance artist/"song and dance man" (as he preferred to be known) Andy Kaufman. He was certainly weird, and so is what follows....

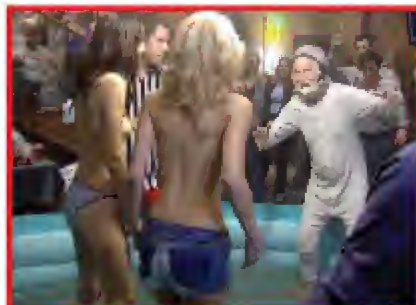

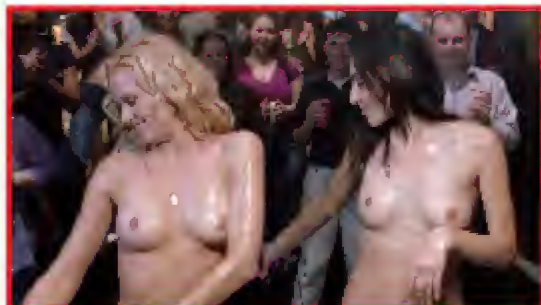

When it comes to college-themed romps, thank the gods of frisky fun for *Old School* (2003), because not only does it carry the torrid torch of tits-'n'-ass into the next millennium, but it also breathes brand-new *nude* life into the oft-neglected mud-wrestling scene. Overseen by ogling referee Will Ferrell, playing Frank, who's got a *severe* case of Peter Pan Syndrome, the double- delicious dose of soon-to-be down-'n'-*durrty* B-cup bimbos Corrine Kingsbury & Lisa Donatz raise their *LAI*Dpoint average by happily shedding their tops and parading their perky, *pink-tipped pom-poms* in the name of erotic education! Kingsbury's *casabas* & Donatz's *doll-tits* will give you a 4-*OH-GOD-OH-GOD!*

— BUY THIS DVD —

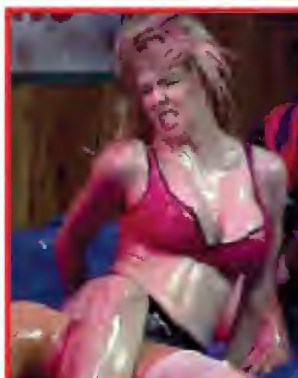

Jelly wrestling wows the ersatz frat via Hayden Hall's resident *no-holds-barred* hotties, Jenny (Knightsbury) & Jeanle (Donatz). Conceived as a comedy *Fight Club*, *Old School* trades dude rage for a *chicksquirm* so hot—it kills a geezer!

GUNS

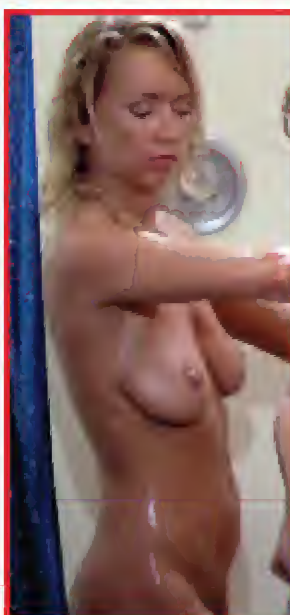

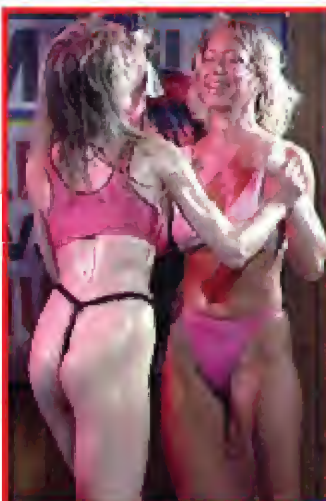

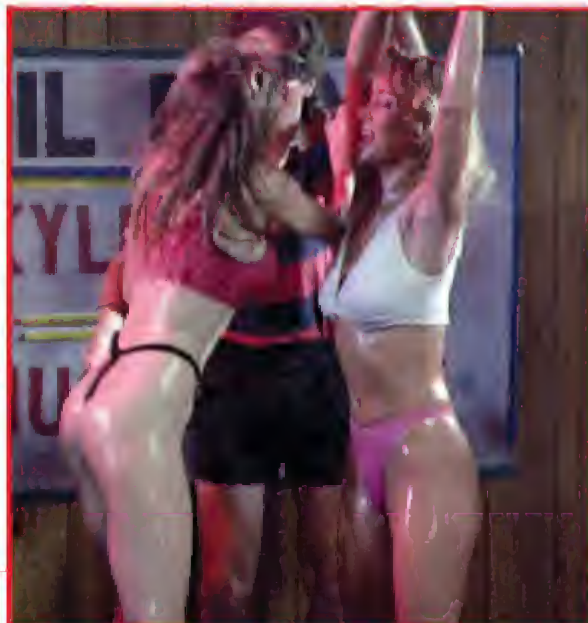

Director Andy Sidaris will forever be famed for the “Bullets, Bombs & Babes” recipe for his must-have *L.E.T.H.A.L. Ladies* series. Case in point? A babe (’80s pinup *piece* Dona Speir) decimates baddies with her impressive arsenal of weaponry & promptly declares, “That’s it for me! I’m hitting the shower!” *Guns* (1990) is a wild-weird whack-off masterpiece of ammo & ass, mayhem & mamms, plus—lingerie & *outta-nowhere* chick-on-chick oil wrestling. And—it stars *Erik Estrada*...as an evil South American drug smuggler (you know the type). Even better? The *sticky-fer-yer-fist*, ooeygoeey girl-on-girl gashsplash battles, followed by the requisite shower scenes. Don’t ask. Just bust a nut.

— BUY THIS DVD —

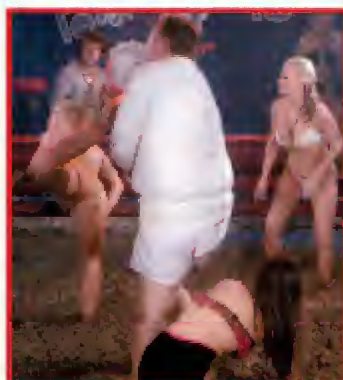

Slippery When Wet, Indeed! Just ditch the Bon Jovi and dig on the Bubbly Jubbles of *Guns!* '80s T&A goddesses Dona Speir, Roberta Vasquez, Cynthia Brimhall, Devin DeVasquez & Lisa London *slick up for dicks up & strip to nada...for Estrada!*

WEIRD WRESTLING

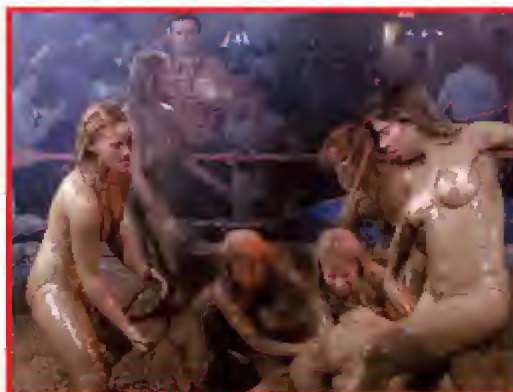

One way Hollywood heated up the Cold War was to forget about strategic hits and focus on *topless tits*. A fine-'n'-funny example that features a full-out *ass-ault*—not to mention *boob-italions'* worth of MREs (Mamms Ready to Eyeball) is *Stripes* (1981). Up-and-coming (at the time) co-stars P.J. Soles & Sean Young, using *Orifices and Gentlemen* like good girl soldiers, will forward-march *your privates* into *active duty*. The famed mud wrestling moment? 350-pounder Ox (John Candy) gets into the ring with bikini-clad civilian cuties! Thus, a no-brainer deteriorates into a human mud (and hair) pie of piggy play.

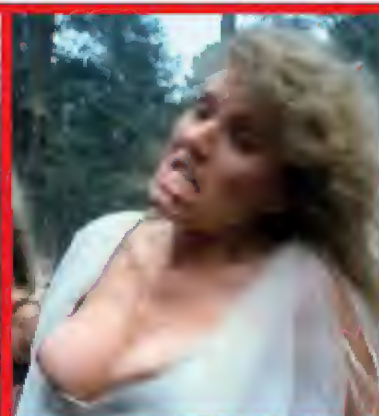

— BUY THIS DVD —

Muck-covered jugs make for weird and kinky as Ox is tripped, flipped, kicked and slipped up by a domme trio, tap water & '80s-style raunch-laughs. A comedy classic since its debut, *Stripes* will send yer big, red one to DEFCON 5-finger status.

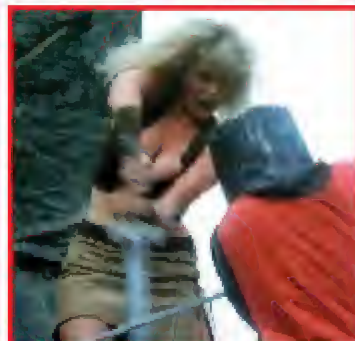

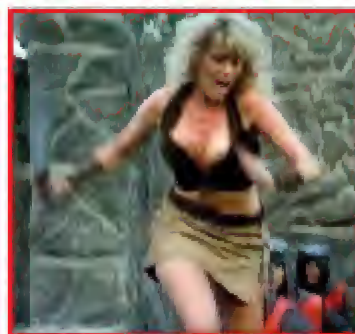

WEIRD WRESTLING

BARBARIAN QUEEN II

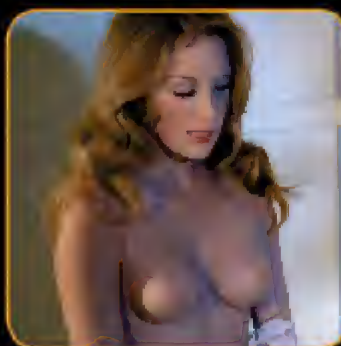

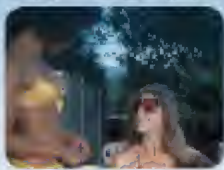

Thanks to Roger Corman, we have the *BOOBbarian* franchise, *breast* illustrated by its sloppy seconds, *Barbarian Queen 2: The Empress Strikes Back* (1989). The late Lana Clarkson leads a horde o' head-turners in (and out of) leather bikinis & lace-up lickables who're *ruttin' hot-assed* for revolt—cuttin', struttin' & sluttin' to overthrow a madman making life unpleasant for primitive pretties. *Creamjugs* Clarkson selects *Sex-ican* Erigena (Orietta Aguilar) for tit discipline in a convenient mudpatch, setting the sleaze-stage for a slippery *ho-down*, and leaving no inch of Renaissance Faire flesh unslopped or underexploited.

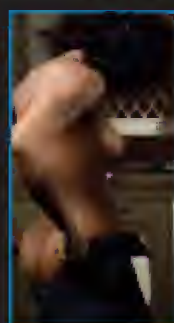

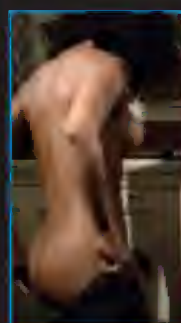

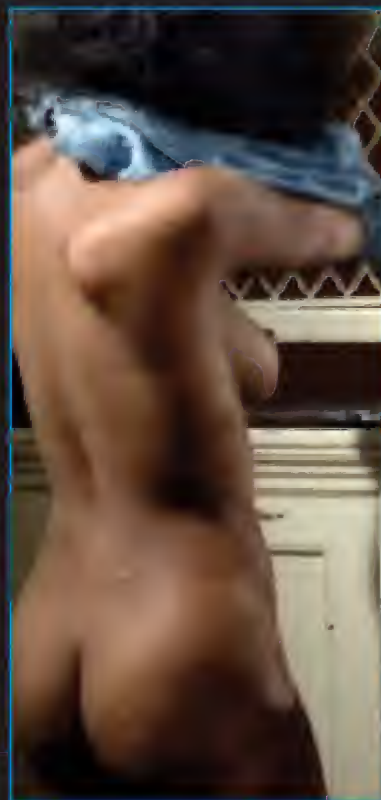

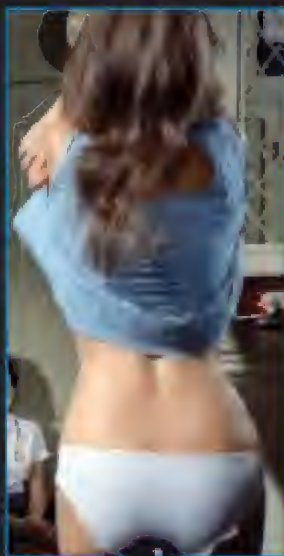

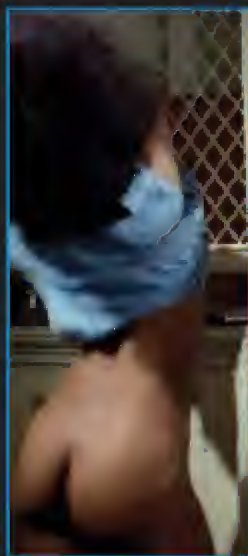

Barbarians are bad enough, but *these* busty *BOOB*barlans are more willing to *bust out swingin'* than a pair of 44FFF jugs stuffed into a 32A bra! The late Lana Clarkson (Princess Athalia) is a sexy SPECTRE, fleshed out for all eternity....

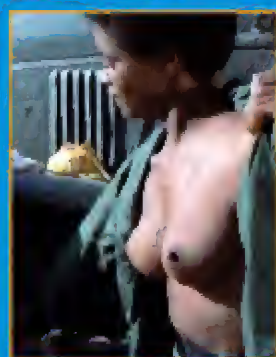

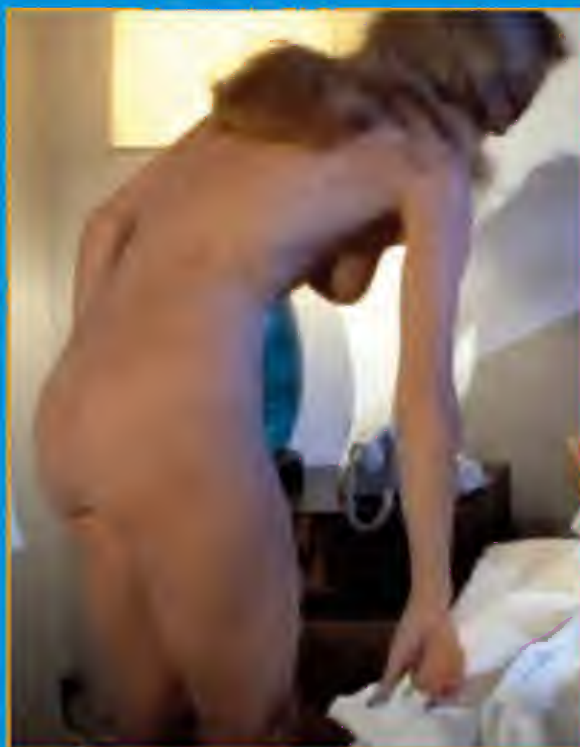

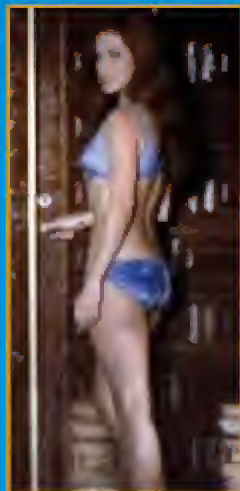

SKINSIDE's MIDNIGHT MOVIE!

POLICEWOMEN

Touting: "Cold Steel on the Outside...*All Woman* on the Inside!" *Policewomen* (1974) recognized Women's Lib...while reveling in bra-less lady cops takin' off their tops! Redhead Sonda Currie karate-chops the crooks as Officer Lacy Bond—then showers off the *filth of crime*! Paired with ghetto-justice gem Jeannie Bell as Pam, she even infiltrates a *lezzie lady gang*! Prepare to *empty your weapon...punk!*

DEVIL HUNTER (1980)

NUDE: Ursula Buchfellner

THE SKINNY: From Spanish schlockmeister Jess Franco comes *Devil Hunter*, a rip-roaringly gory horror showcase for German beauty Ursula Buchfellner. While visiting an otherwise lovely jungle, poor Ursula gets kidnapped by head-hunting locals. The *good* news is that Ursula gets to keep her head, even when threatened by the native's bug-eyed demon-god. The *great* news is that she loses all of her clothes while waiting for a heroic Vietnam vet to come to her rescue. Nature is beautiful.

FORBIDDEN ZONE: IN COLOR (1980)

NUDES: Susan Tyrell, Gisele Lindley, Marie Pascale-Elfman, uncredited actresses

THE SKINNY: Writer-director Richard Elfman's loony, loopy, one-of-a-kind black-and-white musical midnight-movie classic *Forbidden Zone* remarkably becomes even *more* unique in a new, colorized version. Herve Villechaize (yes, Tattoo himself) portrays Fausto, King of the Sixth Dimension, who rules the titular terrain of naked girls, wild gorillas and gibberish-spewing pugilists along with his tyrannical wife, Queen Doris (Susan Tyrell) and their eternally topless, proto-Paris Hilton-type daughter, The Princess (Gisele Lindley). When adorable schoolmaiden Frenchy stumbles into their funky fiefdom, all manner of mayhem breaks loose. Watch for Danny Elfman, the former leader of Oingo Boingo and now acclaimed movie composer, as Satan. There are literally more nude women in *Forbidden Zone* than any sane human could attempt to count, and now the opportunity is at hand to see them all, for the first time, in living, *lustig* color. Do *not* miss.

Our hero tracks down the female photographer (Martine Grimaud) who took the shot, who leads him to understand that he hails from a family of vampires! SUPERBADAZZ (2008)

THE SKINNY: A couple of inner-city entrepreneurs prove they've got more ambition than they do common sense in the uproarious farce *Superbadazz*. The scheme they hatch involves opening an illegal stripclub in the basement of their parents' apartment building. THE SEX THIEF (2008)

NUDES: Kina Kai, Shay Laren, Lana Lopez, Lela Star, Heather Vandeven, Erin Avery
THE SKINNY: The title figure of the smokin' hot Peach DVD romp *The Sex Thief* is a lucky looky-loo who spies on the flick's female cast as they peel down, turn on and grind their glands—both solo and together—in spectacularly steamy fashion. Shay Laren's astonishingly large, all-natural rack is a thing of wonder (make that two things), as is the carnal coupling of raven-maned Erin Avery and Asian treat Kina Kai. TOKYO DECADENCE (1992)

NUDES: Miho Nikaido

THE SKINNY: *Tokyo Decadence* is a major milestone in Japanese cinema that became a worldwide hit due to its shocking storyline, electrifying direction and the no-*holes-barred*, relentlessly sexual performance of Miho Nikaido. She plays a high-priced prostitute who caters to her clients' every whim, no matter how kinky. Some sessions involve public exposure, unusual sex-toy placement and anonymous lesbian sex. *Tokyo Decadence* is the most incendiary thing out of its titular city since Godzilla's breath.

VIRGIN TERRITORY (2007)

NUDES: Kate Groombridge, Chiara Gensini, Silvia Colloca, Maimie McCoy

THE SKINNY: *Virgin Territory* is a curious concoction starring Hayden Christiansen and Mischa Barton that's based on Boccaccio's 14th-century masterpiece *The Decameron*. Don't be put off by the movie's medieval setting, though, as it's a nonstop parade of naked women. Mischa is not among the nudes, but that's more than made up for by Chiara Gensini and Silvia Colloca as servants who deliver bathtub service that will *really boil your water*, and ultra-busty Maimie McCoy as an angelic vision of bare-breasted divinity. This *Virgin* will make you *pop!*
